Boys' Win District Play Stanton in Regional March 11th

A four team regional tournament will be held at New Salem on March 11 and 12. On the evening of the 11th, South Heart plays the winner of the district 32 tournament at 7:30. Immediately after the first game Almont plays Stanton. The winners of these two games play on the following night for the Championship and the right to enter the State Class "C" Tournament at Devils Lake on March 20th, 21st, and 22nd.

DISTRICT TOURNAMENT

SEMI-FINAL

ALMONT VS SELFRIDGE—Playing their first game of the tournament at 9:30 on the morning of February 22, Almont defeated Selfridge in a contest that was close all the way. The end of the first quarter found Selfridge leading 14 to 13. They built their lead to 27 to 23 at half time. Almont came back strong and was leading at the end of the third quarter 39 to 35. Selfridge came back fighting but couldn't quite make it as Almont stalled out the last minute and one half. The Box score follows:

FINALS

ALMONT VS CENTER—Almont came from behind twice during the game to gain the Championship with a 46 to 40 victory over Center. It looked like an easy victory for Center as they were leading at the end of the first quarter 15 to 8. Almont rallied to gain a half time tie, 25 all. Again in the third quarter it looked like Center an easy victor when the third period ended with them leading 36 to 29. Almont came back fighting and with 2 minutes remaining took the lead 42 to 40. They gained control of the ball with one and three quarter minutes remaining and stalled out the remaining time. They scored two baskets in the last few seconds to gain a six point victory, and the Championship. The box score follows:

LOCAL SCHOOLS TO JOIN STATE WIDE SAVE* THE-CHILDREN CLOTHING COLLECTION

Public Schools will take part in a state-wide Children's Clothing Crusade to collect serviceable used clothing during the week of April 14--19, School Superintendent Holle announced today.

Known as Save-The-Children Bundle Week, the five day clothing collection is part of the Eleventh National Child-rear's Clothing Crusade under auspices of a national committee of school superintendents. State Superintendent, Department of Public Instruction, M. F. Peterson heads the clothing drive in North Dakota and has announced a goal of 100,000 pounds.

Clothing obtained will be distributed by Save-The-Children Federation in their program of assistance to children in isolated rural areas of the United States, in Western Europe, Korea and Lebanon.

Child war victims in Korea, Finland, France, Greece, Austria, Germany, Lebanon, and Italy will be overseas beneficiaries. In America, clothing is distributed in a carefully planned self-help program in needy rural areas of eight Southern States in which the Federation operates their school sponsorship program.

Many children in the American areas served, come from families with cash incomes of less than \$400 a year. If it were not for Save-The-Children Bundle week clothing collections, many of these children would not be able to attend school in bad weather. Clothing in Korea will be distributed through the Unified Command.

Superintendent Holle said, "Almont will do their share in meeting the State quota," adding, "We are happy to take part in this humanitarian cause which serves so many needy children in our own country." Leaflets will be given to all children in the school system to take home during the week starting the purpose of the drive and asking the cooperation of parents.

SENIOR INTERVIEW

Joan Allegra Knudson first saw the light of day on May 16, 1934 at Almont. She has now sprouted to the height of 5'6". She has three sisters and one brother.

Joan has attended the Almont schools from the first grade through her senior year. In high school she has been active in many activities. She has been a cheerleader for the past three years and has played on the girls' basketball team four years, being chosen captain for two years.

Several of the recent class plays have seen Joan as a member of the casts. In the senior play this year she played the part of talkative Mrs. Romayne.

This year she has also been chosen as Senior class president, Editor of the "Eagle Eye", and Business manager of the 1952 Annual.

Among Joan's favorites are playing the piano, horseback riding, attending movies, and swimming.

Her pet peeve is people who continually try to get her peeved.

After high school she plans to attend college, then teach school until she retires in 1979!

JANITOR INTERVIEW

Mr. Benny Olson was born on a farm at Almont in 1903. He attended grade school at the Almont, Curlew, and Sims grade schools. He started high school at Almont High School but was forced to drop out after a few months.

In 1927 he was married at Mandan. He has three children; James, Zona, and Sharon.

His favorite food is roast chicken and his favorite sport is Baseball.

Mr. Olson has been janitor at Almont for the past 7 years.

UPPER GRADE NEWS

First of all we wish to congratulate our high school Basketball team in winning the Class "C" Tournament. You could hear around the school halls of how determined they were in winning the game, and where there's a will, there's a way. So here's three Cheers to the Almont Basketball team.

Now to get back to our classroom. If you heard a lot of excitement and noise and saw a cloud of dust emanating from our door and windows, appearing as though you were near some sawmill, it was just that we were putting the "New Lock" to our desks. We have had them sanded and Varnished. They certainly give the room a cleaner atmosphere.

Art for this season will be centered on Easter.

Those having perfect attendance this six-weeks were Sharon Kurle and Janet Feland. There were others who would have a perfect attendance, but broke the record due to the Basketball games at Mandan. Maybe it was those cheers that helped to spur on the game in favor of Almont! Who knows?

Those having A's in spelling are: Sharon Olson, Clara Doll, Milre Kaelberer, and Rawona Knudson. Those having B's are: Laruel Harper, Dorothy Hoovestol, Sharon Kurle, Janice Ritz, Larvel Anderson, Janet Feland, Eugene Harper, Marvin Ritz and Darrell Hoovestal.

We have begun our Soil Conservation in the 7th Grade. Free hand drawings on soil and maps in our state divisions on areas of kinds of soils are on display on the Bulletin board. The projector was used in our study in connection with "Our Forests", "People in Desert Lands", and "Flag Etiquette."

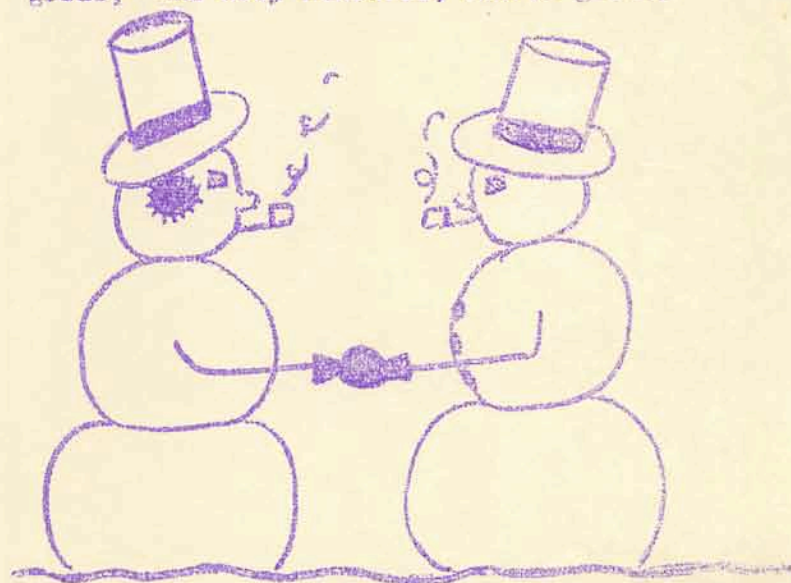

LOWER GRADE NEWS

The Primary room gave a short musical program at the last P.T.A. meeting. Since we have begun rhythm band in our music class, we decided to include a few numbers in the program.

Miss Mottisoff lent us some film strips which we enjoyed seeing. As a result, the different grades are making up scrap books of two of the film strips. The Third and Fourth grades are making up a scrap book on "Our Flag" after seeing the film strip on "Flag Etiquette", and the first and second grades are making up a scrap book on "Horses" after seeing the film strip of "Horses".

We have two new pupils in our room. Donna Lee Emter in the third grade comes from a rural school in Grant County while Linde Lee Nagel in the first grade comes from the Hebron grade school. We hope the girls will enjoy being with us as much as we enjoy having them with us.

Those having perfect attendance the last six weeks were: Carlyle Reef, First Grade; Ardys Brinkman, first grade; and Gary McDowell, fourth grade.

ARDELLA REETZ VISITS SCHOOL

EXTRA! EXTRA!

We were very happy to have Ardella Reetz as our guest in school, February 19. She gave an interesting talk on the country of Pakistan, where she is going as a missionary nurse in the nearfuture. She told us of the customs, population, religion, location, and also about what she plans to do when she arrives there. She mentioned the preparations necessary to enter the country.

Ardella was a graduate of Almont High School in 1941. We were pleased to have Ardella visit us and wish her success in her work in Pakistan.

AGRICULTURE CLASS SEES CONSERVATION SHOW

On February 20, the Agriculture Class journeyed to New Salem where they toured the Soil Conservation Train. They examined various types of soil and different methods of soil conservation.

The trip proved very educational and interesting.

Roger, Jeanette, and Linda Nagel joined our school March 4. Prior to this time they were enrolled in the Hebron Schools. Linda is in the first grade Jeanette is in the fifth, and Roger is a Freshman in High School. Roger Nagel attended this school several years ago and we welcome them all to our school.

Mr. Holle had a short vacation at home when he was overtaken by the flu. We certainly are glad to see him back in school. (Those written lessons, Ugh!)

Shirley Olson of Kirkland, Washington who was visiting in Almont with her parents, visited our School on Febr. 22.

A coral, short-sleeved, sweater with a collar was lost at the tournaments in Mandan. If anyone has located it would you please notify the owner, Miss Caroline Lassen, Almont, North Dakota.

LaVonne, have you got that ring fixed yet???????

Douglas can even say, "Uncle John," now, can't he, Gloria???

Seems Iona, LaVonne, and Ramona couldn't make the nickle stretch far enough. Too bad Mandan doesn't have our old style country telephone!!

Roger and Ray really are some good radio technicians, at least the radio worked. Such tools!!

We all wonder what happened to Caroline's red sweater. Eh, Caroline??

Tough luck in New Salem, Roger. Be sure and give us the details.

Ange, Toots, Ray, and Roger, What's this we hear about you playing Canasta till all hours of the night? Or was it morning????

Wonder how we can get rid of all the mice in school...Such an annual staff!!

Ramona and Iona, just what has Solen got that Almont hasn't?????

Clayton, we've never heard that you could get cars out of ditches that way!!

Say, Pat, just why weren't you at the annual meeting the other night? (Monday to be exact.)

It seems as though Gloria is starting her spring baseball training now. She has pretty good aim with her left-hand fling.

How do you explain the black eye, Mr. Holle? Maybe Mrs. Holle should make the explanation.

Just how do you make a mole out of a mouse-hill??? Ask Joan, she knows.

Duane: "Do you know what the rabbit said when he hurt his toe?"

Adeline: No, What?

Duane: "Don't be silly. Rabbits can't talk!!!"

Ralph: "Why did the moron sleep in the fireplace?"

James: "He wanted to sleep like a log."

Policeman: "Why wouldn't you let this women pass you?"

Driver: "I was going to as soon as I found out what side she wanted to pass on."

Ann Stegmeier certainly makes a nice chaufferu, at least quite a few kids were having fun.

FROM THE "OLDEN DAYS"

Taken from the New Salem School Wispers in the New Salem Journal, January 31, 1940.

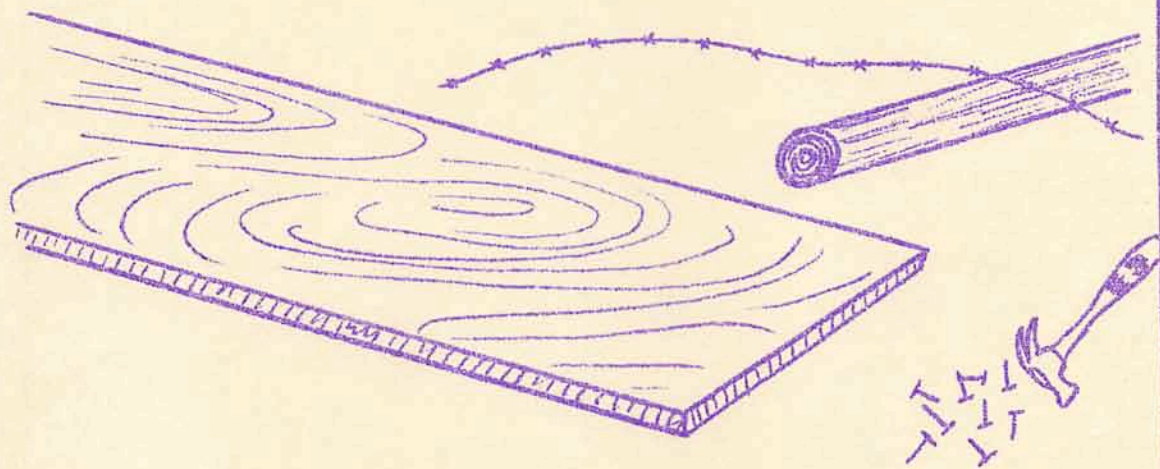

"Gilbert Holle hasn't a dirty face, he's just growing a mustache. Rather becoming. Who said our senior boys are Just Kids?"

(We agree that it would be becoming so why not grow another, and give us all a look???)

Mr. Holle's name was also on the high school perfect attendance for that six weeks period.

Seems that Roger B. has a new girl-friend. Maybe S.K. can give us more definite information on the matter. Roger seems to be mighty mum on the subject.
